

Warren Peer Mentorship Program Mentor

Position Description

The Warren College Peer Mentorship Program (WPMP) provides incoming students the opportunity to form a mentoring relationship with a current Warren College student.

WPMP Mentors are returning Warren College students that serve in a volunteer role supporting, guiding, and being a friend to an incoming first-year student. Mentors provide one-on-one and small group connections assisting students with developing positive academic, career, and personal goals. Mentors encourage and participate in the creation of a mentoring community through participation in training and program-wide event coordination.

Desirable Qualities

- Willing listener
- Encouraging and supportive
- Patient and flexible
- Tolerant and respectful of individual differences
- Knowledgeable about Warren College and UC San Diego opportunities and resources

Expectations

- Commit to serving as a mentor to 1-4 incoming students for the duration of the academic year
- Attend mandatory quarterly training sessions and Mentor Connections meetings
- Work with the Program Coordinator and other Mentors to coordinate community programs – All mentors will be required to assist with one program per quarter (this includes: planning, setting up, and cleaning up)
- Attend Community Programs and various campus-wide programs with your mentees
- Complete UCSD Volunteer paperwork (if not a US Citizen, selection will need to be verified through HR Department)
- Must be registered UC Warren undergraduate student
- Must pay UCSD student services fees each quarter
- Complete program evaluations as required
- Communicate with the program coordinator should questions or issues arise

Application and Selection Process

After completing the online application, selected applicants will be contacted by the WPMP Coordinator to schedule an in-person interview.

Selected mentors will be notified of their acceptance into the mentorship program and informed of required University paperwork. Mentors will be matched up with 1-4 new students in fall quarter.
