

To Warren College graduating seniors,

The U.S. Open golf tournament will be held June 9-15, 2008, at Torrey Pines Golf Course, adjacent to the University of California, San Diego. The tournament's massive impact on hotel availability, parking and traffic has forced UCSD to delay the graduation ceremonies until the weekend of June 21-22, one week after the end of the Spring Quarter exam week. Various groups such as the Associated Students are discussing potential events for seniors to be held during that *Seniors Week*, and we anticipate that during the year you will be informed of events as they are finalized.

We have included the schedule of College graduations as well as a listing of the graduate and professional school graduations that have been scheduled.

We are sorry for the difficulties and inconveniences that may result from delaying the ceremonies.
