Roosevelt	Sunday, June 22	1:00pm	RIMAC Field
Revelle	Sunday, June 22	5:00pm	RIMAC Field

## TICKETING INFORMATION

UCSD has a long tradition of holding separate commencement ceremonies for each of the undergraduate colleges. UCSD's six undergraduate college ceremonies provide students with a setting where graduating seniors may invite family and friends to celebrate their accomplishments. College ceremonies allow individual recognition of each senior.

To continue with this tradition and to ensure that students attend their own college ceremony, students participating in the 2008 undergraduate commencement ceremonies will be required to have a ticket of admission to their college's ceremony. Ticketing will enable colleges to limit the ceremony to participants in that college. This will help to provide adequate parking, traffic control and facilities resources to ensure a happy, memorable occasion for all graduates.

Each Warren graduate will receive one student ticket at the time of their cap and gown rental at the bookstore in June. Student ID will be required for verification of college enrollment. Students should place this ticket in a safe location as it will be required for admittance to their college commencement ceremony on the day of graduation. No replacement tickets will be issued. Please note that guests do **not** need tickets to gain access to the guest seating area.

For graduates with very exceptional circumstances, exceptions may be requested to participate in another college's ceremony. Click [here](#) for more information on exception requests.
