Warren College's Commencement will be held on Saturday, June 16, 2018 at 1:00PM on RIMAC Field.

Commencement and Graduation

Commencement is the annual ceremony in which eligible students participate. Participation in the commencement ceremony does not constitute official graduation from the University.

Graduation occurs only when a student has completed at 180 units or more, has a 2.0 GPA or above, is in good academic standing, and the degree has been officially posted to the academic record. Students begin the degree process at <http://degree.ucsd.edu>:

1. Log onto the site and indicate "yes or no" regarding inclusion of your name in the commencement booklet.
2. Submit a Degree and Diploma application (DDA) for your intended quarter of graduation.
3. The only way to be placed in the printed program is to indicate that you would like your name included in the program on the online systems. Your name will appear in the commencement program as it appears on your Tritonlink student record. You must indicate that you would like your name printed in the program at degree.ucsd.edu by **May 1, 2018**.

For clarification, contact Warren Advising via the Virtual Advising Center at
