Filing for Graduation

Commencement is the annual ceremony in which eligible students participate. Participation in the commencement ceremony does not constitute official graduation from the University.

Graduation occurs only when a student has completed at 180 units or more, has a 2.0 GPA or above, is in good academic standing, and the degree has been officially posted to the academic record. Students begin the degree process at

<http://degree.ucsd.edu>:

1. Log onto the site and indicate "yes or no" regarding inclusion of your name in the commencement booklet.
2. Submit a Degree and Diploma application (DDA) for your intended quarter of graduation.
3. The deadline for your name to be included in the Commencement booklet has passed.
