Warren College Administration Building

Warren College Academic Advising

Academic Advising

The Warren College academic advising staff assists students with clarifying University and College academic requirements, policies and procedures, and planning educational, personal, and future career goals.

Academic Advising Services

Students maintain contact with the Warren College Advising Office in a variety of ways:

- **Walk-in Advising**

Students with general questions or concerns may meet with an academic counselor or peer advisor for 10-15 minute sessions.

- **Individual Appointment**

Appointments may be scheduled one week in advance, based on availability, Week 3 through Finals Week of each academic quarter.

- **Virtual Advising Center (VAC)**

VAC offers students the opportunity to communicate electronically with academic advisors in both the College and departments. Information is transmitted securely and is kept confidential.

Degree Audit

The Degree Audit on TritonLink is used as an unofficial planning tool to view progress toward graduation.

To view an official list of courses, go to the Academic History page of TritonLink.

The audit displays requirements in a three-column format: Major, College general education, and University.

The audit is updated when changes are made, upon request, and as students enroll in and complete courses.

It is the student's responsibility to monitor progress toward completion of degree requirements.

Earl's Place Patio

University Requirements

UC Entry Level Writing Requirement (ELWR) and Analytical Writing Placement Exam (AWPE)

The University of California requires that all undergraduate students demonstrate a minimum proficiency in English composition within three quarters of entering the University.

American History and Institutions (AHI)

Knowledge of American history and of the principles of American institutions under the federal and state constitutions is required of all candidates for a bachelor's degree.

Diversity, Equity, and Inclusion (DEI)

A knowledge of diversity, equity, and inclusion is required of all candidates for a bachelor's degree. This requirement shall be satisfied by passing, with a grade not lower than a C- or P, a four-unit course expressly approved by the Committee on Educational Policy for that purpose. A list of approved courses is provided in the UC San Diego General Catalog.

- This requirement may be satisfied by presenting proof of having passed a one-quarter, four-unit transfer course, or its equivalent, at a recognized institution of higher education, community colleges included, that has been articulated to one of the courses approved by the Committee on Educational Policy.
- This course may overlap with the major, minor, or general-education requirements
- See the [website](#) for approved courses

Major

Twelve or more four-unit, upper-division courses in addition to lower-division major prerequisites. Consult department website for specifics.

Senior Residency

Thirty-five of a student's last forty-five units must be taken at UC San Diego.

Units for Graduation

A minimum of 180 units are required for a B.A. and B.S. degree, including not less than 60 units at the upper-division level.

Pass/Not Pass

- A maximum 25% of the total course units taken at UC San Diego may be taken Pass/Not Pass
- A Pass requires a grade of C- or higher
- The GPA is not affected by a Pass/Not Pass grade, but students do receive units and course credit
- Most majors, and some minors, do not allow the Pass/Not Pass grading option

Grade Point Average

Students must maintain a minimum 2.0 term and cumulative GPA to remain in good academic standing and must have a minimum 2.0 cumulative and major GPA to graduate from UC San Diego.

Warren College General-Education Requirements

These general-education requirements are for students entering as freshmen and transfer students without completion of a verified transfer program. Transfer students with a completed transfer program should refer to Transfer General-Education Requirements.

Writing

Two writing courses: Warren College Writing Program (WCWP) 10A and 10B. **Both courses must be taken at UC San Diego for a letter grade and may not overlap with any other requirement.**

Ethics & Society

Two courses: PHIL 27 or POLI 27 **and** PHIL 28 or POLI 28. **Both courses must be taken at UC San Diego for a letter grade and may not overlap with any other requirement.** These courses must be taken **after completing** WCWP 10A and 10B. View when these courses will be offered as they may not be available every quarter.

Formal Skills

Two courses in calculus, symbolic logic, computer programming and/or statistics from the following list. These courses may overlap with lower-division major, minor, or applicable PofC courses.

MATH 3C, 4C	PHIL 10, 12	LIGN 17	ECE 15, 25, 85
MATH 10A or 20A	POLI 30	COGS 3, 8, 14A, 14B	MAE 5
MATH 10B or 20B	PSYC 60	COGS 18/CSE 7	NANO/CENG 15
MATH 11	SOCI 60	CSE 3, 5A, 8A, 8B, 11	

Two Programs of Concentration (PofCs) or Area Studies (AS)

- PofCs or AS must be non-contiguous (unrelated) to the major and to each other
- Courses may be taken for a letter grade or Pass/Not Pass
- No more than three language courses may be applied to a PofC; no more than two language courses to an AS
- Upper-division courses may NOT overlap with major, minor, PofC, AS, or other general-education requirements

Programs of Concentration (PofCs) - For all majors except B.S. Engineering majors

- Each must contain six, four-unit courses, three of which must be upper-division (numbered 100+), except for Science and Technology and Fundamentals of Biology, which may consist of six lower-division courses
- At least two courses from each PofC must be taken at UC San Diego
- Special Studies course 195 may NOT be used for any PofC

— OR —

Area Studies (AS) - For B.S. Engineering majors ONLY

- Each must contain three, four-unit courses, two of which must be upper-division (numbered 100+)
- One course in each AS must be taken at UC San Diego
- Special Studies course 195 may NOT be used for any AS

Minor

A minor may be used in lieu of a PofC or AS if the minor meets the College's rule on non-contiguity and non-overlap.

An interdisciplinary minor may count in lieu of a PofC or Area Study if **at least four of the minor courses** are from the discipline in which the PofC or AS will be replaced.

A business minor may be used in lieu of a Social Science PofC or AS only when specific, allowable courses are chosen. See a Warren academic counselor for more information.

Choosing Programs of Concentration

The major, combined with two PofCs, must represent ALL THREE disciplines: Humanities & Fine Arts; Natural Sciences, Math & Engineering; and Social Sciences. Notify Warren Advising via the Virtual Advising Center to have your choices added to your degree audit. We recommend declaring by the end of your second year.

All Major Departments Except B.S. Engineering Majors

Step 1 - Find the discipline representing your major

Humanities & Fine Arts	Natural Sciences, Math & Engineering	Social Sciences
Chinese Studies Classical Studies Critical Gender Studies German Studies History International Studies (Hist, Lit) Italian Studies Japanese Studies Judaic Studies Latin American Studies Literature Music Philosophy Religion, Study of Russian, East European, and Eurasian Studies Theatre and Dance Third World Studies Visual Arts	Biology Chemistry Cognitive Science Computer Science (B.A. only) Electrical & Computer Engineering (B.A. only) Environmental Systems Mathematics Physics Public Health (see counselor) Scripps Institution of Oceanography (SIO)	Anthropology Cognitive Science Communication Critical Gender Studies Economics Ethnic Studies Global Health Human Development Program International Studies (Anthro, Econ, Ling, Poli Sci, Soc) Linguistics Political Science Psychology Public Health (see counselor) Sociology Urban Studies and Planning

Programs of Concentration (PofC)

Step 2 - Choose two PofCs, one from each of the two columns not represented by your major discipline

Humanities & Fine Arts	Natural Sciences, Math & Engineering	Social Sciences
Classical Studies Foreign Language and Culture* Health Care—Social Issues* History Humanities*♦ Italian Studies Literature Music Philosophy Theatre and Dance Visual Arts	Biology Biology (Fundamentals of)* Chemistry Cognitive Science+ Environmental Studies* Environmental Systems Marine Science Mathematics Physics Science and Technology*♦ Scripps Institution of Oceanography (SIO)	Anthropology Business* Cognitive Science+ Communication Economics Education Studies* Environmental Studies* Ethnic Studies Health Care—Social Issues* Human Development Program* Law and Society* Linguistics/General Linguistics and Language* Perspectives of Social Science*♦ Political Science Psychology Sociology Urban Studies and Planning

For Interdisciplinary PofCs, see next page.

+ Cognitive Science may be chosen as a PofC in only one discipline.

* Specialized PofCs - specific courses required - see following pages for requirements.

♦ Students may choose only one of the following PofCs: Humanities, Science and Technology, or Perspectives of Social Science.

Interdisciplinary PofCs

Interdisciplinary PofCs

Interdisciplinary PofCs require six courses, three of which must be upper division. In order to categorize the PofC, **four of the six courses** must be chosen from the discipline in which the PofC will be used. See the department/program website for approved courses.

PofCs must be chosen from a department/program different from your major, minor, or other PofC.

Language courses, if allowed for the PofC, count as humanities/fine arts courses. A maximum of three language courses can be used for a Humanities and Fine Arts interdisciplinary PofC; a maximum of two language courses can be used for a Social Science interdisciplinary PofC.

Students should meet with an academic counselor during walk-in hours to discuss applicable coursework.

Chinese Studies
Critical Gender Studies
European Studies

Film Studies
Japanese Studies
Latin American Studies

Middle East Studies
Religion, Study of

Geisel Library

Bear

Specialized PofCs - Humanities & Fine Arts

Foreign Language and Culture

Three foreign language courses (a minimum of 12 units) in one language and three upper-division **Humanities & Fine Arts** courses in the study of that culture.

Students may have difficulty finding upper-division courses in the study of the culture of some languages. See an academic counselor with questions.

Health Care—Social Issues

Required courses:

SOCI 40

PHIL 163

and one course from:

USP 143, 144, 145, or 147

Three courses (at least one must be upper-division) from:

HILD 30

HISC 115

PHIL 147, 148, 151, 162, 164

Humanities

Any combination of six courses, three of which must be upper-division, from History, Literature, Music, Philosophy, Theatre and Dance, or Visual Arts. Each course must be at least four units. Other courses, if applicable, may be petitioned prior to taking the course(s). **Linguistics/Language courses are not allowed. May not be used if Perspectives of Social Science or Science and Technology is the other PofC.**

Harlan Hall

Specialized PofCs - Natural Sciences, Math & Engineering

Environmental Studies

Required courses:

ENVR 30, 110

Four courses from (at least two must be upper division):

BIEB 121, 131, 132, 134, 140, 165, 166, 176

BILD 3

CHEM 15, 149A, 149B, 173

ENVR 102, 120

ESYS 101, 102, 103, 120, 150

MAE 118A

PHYS 12

SIO 10, 12, 15, 16, 20, 30, 35, 110, 150

May not be used if Environmental Studies-Social Science is the other PofC.

Fundamentals of Biology

Any six, four-unit Biology courses.

Recommended courses for non-science majors:

BILD 7, 10, 12, 16, 18, 22, 26, 36, 38

More advanced courses are allowed.

Science and Technology

Six, four-unit, lower-division courses, with a **maximum of three** from a single department.

Recommended Courses:

Biology: BILD 7, 10, 12, 16, 18, 22, 26, 36, 38

Chemistry: CHEM 4 or 11, 12, 13

Cognitive Science: COGS 1, 3, 11, 17

Computer Science and Engineering: CSE 3, 5A, 7, 8A, 8B, 11

Electrical and Computer Engineering: ECE 15, 25, 30, 80, 85

Environmental Studies: ENVR 30

Environmental Systems: ESYS 10

Mechanical and Aerospace Engineering: MAE 5, 8

Music: MUS 7

Physics: PHYS 5, 7, 8, 9, 10, 11, 12, 13

Scripps Institution of Oceanography: SIO 1, 3, 10, 12, 15, 16, 20, 25, 30, 35, 40, 45, 50

Many advanced lower and upper-division courses may apply (see an academic counselor).

May not be used if Humanities or Perspectives of Social Science is the other PofC.

Specialized PofCs - Social Sciences

Business

If pursuing a business minor in lieu of a PofC, see an academic counselor regarding allowable courses.

Three courses from:

MGT 16, 45, 103, 112, 181

Three courses approved for the minor from:

Communication
Psychology
Sociology

Education Studies

At least six courses for a total of 24 units, chosen from the following:

ANSC 122, 162, 163
COGS 154
COMM 102, 110I, 168
ECON 147
EDS 114, 115, 117, 118, 125, 126, 128A/139,
128B/139, 129A/139, 129B/139, 129C/139,
130/139, 134/139, 136/139, 138/139
EDS/LIGN 119
ETHN 140, 141, 144
HDP 1, 135
PSYC 101
SOCI 117, 126

Education Studies Restrictions: A maximum of 8 units of practicum EDS 139 may be applied toward the PofC. Contact Education Studies for more information.

Environmental Studies

Required courses:

ENVR 30, 110

Four courses from:

ANAR 182
ANSC 160
COMM 171
ECON 131, 132, 145
ENVR 102, 140
ETHN 103
POLI 104E, 125A, 162
SOCI 149
USP 2, 124, 144, 171

May not be used if Environmental Studies-Natural Science is the other PofC

Health Care—Social Issues

Required courses:

SOCI 40
PHIL 163
and one course from: USP 143, 144, 145, or 147

Three courses from (at least one must be upper division):

ANTH 2
ANBI 100, 141
ANSC 100, 146, 164
COGS 174
ECON 140, 141
ETHN 102, 142, 157
PSYC 2, 60, 104, 124, 132, 134, 154, 155,
163, 168, 169, 172, 179, 181, 188
SOCI 60, 107, 113, 120T, 134E, 135, 136E-F, 138,
143, 159
USP 143, 144, 145, 147

ANBI 100, ANSC 100, SOCI 120T and SOCI 159 must be health related. Approved topics will be listed on the program website.

Human Development

Required course:

HDP 1

Five upper-division Human Development Program courses from:

Anthropology
Communication
Human Development Program
Linguistics (LIGN)
Psychology
Sociology

Specialized PofCs - Social Sciences

Law and Society

Required courses:

POLI 40 or SOCI 50
LAWS 101

Four courses from:

ANSC 100, 140
CGS 106, 107
COMM 114F, 114M, 114N
ECON 118, 119
ENVR 110
ETHN 152
LAWS 102S
LIGN 105, 176
POLI 13, 104A-B-C-D-F-I-L-M-N, 140A, 145A, 150A
PSYC 162
SOCI 120T, 140, 140F, 141, 142, 144, 145, 146,
152, 159, 160E, 163
USP 121, 122, 124

ANSC 100, SOCI 120T and SOCI 159 must be law related. Approved topics will be on the program website.

Linguistics and Language

Two courses in one language, level 1B/1BX and 1C/1CX or higher.

LIGN 101, and three Linguistics/General (LIGN) courses, at least two of which must be upper-division.

For American Sign Language: ASL 1C/CX or ASL 1D/DX; LIGN 7, 101; and three Linguistics/General (LIGN) courses, at least two of which must be upper-division.

Perspectives of Social Science

Any combination of six courses, three of which must be upper-division, from: Anthropology, Communication, Economics, Education Studies, Ethnic Studies, Human Development Program, Linguistics/General (LIGN), Political Science, Psychology, Sociology, and Urban Studies and Planning. **Each course must be at least four units. This PofC does not meet minor requirements.**

May not be used if Humanities or Science and Technology is the other PofC.

Earl Warren

Choosing Area Studies

The major, combined with two AS, must represent ALL THREE disciplines: Humanities & Fine Arts; Natural Sciences, Math & Engineering; and Social Sciences. Notify Warren Advising via the Virtual Advising Center to have your choices added to your degree audit.

B. S. Engineering Majors ONLY

Bioengineering:

Bioengineering
Bioengineering: Biotechnology
Bioengineering: Bioinformatics
Bioengineering: BioSystems

CSE (B.S. only):

Computer Engineering
Computer Science
Computer Science: Bioinformatics

MAE:

Aerospace Engineering
Environmental Engineering
Mechanical Engineering

NanoEngineering:

Chemical Engineering
NanoEngineering

ECE (B.S. only):

Computer Engineering
Electrical Engineering
Engineering Physics

SE:

Structural Engineering

Area Studies (AS)

Choose one Area Study from each of the two disciplines listed below

Humanities & Fine Arts

Classical Studies
Foreign Language and Culture*
History
Humanities*
Italian Studies
Literature
Music
Philosophy
Theatre and Dance
Visual Arts

Social Sciences

Anthropology
Cognitive Science
Communication
Economics
Education Studies
Environmental Studies*
Ethnic Studies
Global Health*
Health Care—Social Issues*
Human Development*
Law and Society*
Linguistics/General
Political Science
Psychology
Sociology
Urban Studies and Planning

* Specialized AS - specific courses are required - see following pages for requirements

The following may **NOT** be used toward an Area Study

Rady School of Management (MGT) - see academic counselor if pursuing a business minor in lieu of AS
Special Studies courses 195

Interdisciplinary Area Studies

Interdisciplinary Area Studies (AS)

Interdisciplinary AS require three courses, **two** of which must be upper-division. **All three courses may be from different departments within the same general category, either Humanities & Fine Arts or Social Sciences.** See the department/program website for approved courses. Students should meet with an academic counselor during walk-in hours to discuss applicable coursework. Language courses may not be used for a Social Sciences Area Study.

Chinese Studies
Critical Gender Studies
European Studies

Film Studies
Japanese Studies
Latin American Studies

Middle East Studies
Religion, Study of

Jacobs School of Engineering

Specialized Area Studies

Specialized Humanities & Fine Arts AS

Foreign Language and Culture

One foreign language course (a minimum of four units) and two upper-division **Humanities & Fine Arts** courses in the study of that culture.

Students may have difficulty finding upper-division courses in the study of the culture of some languages. See an academic counselor with questions.

Humanities

Any combination of three courses, two of which must be upper-division, from History, Literature, Music, Philosophy, Theatre and Dance, or Visual Arts. **Each course must be at least four units. Linguistics/Language courses are not allowed.**

Specialized Social Sciences AS

Environmental Studies

Required courses:

ENVR 30, 110

One course from:

ANAR 182
ANSC 160
COMM 171
ECON 131, 132, 145
ENVR 102, 140
ETHN 103
POLI 104E, 125A, 162
SOCI 149
USP 124, 144, 171

Global Health

Required courses:

ANSC 148
HILD 30

One course from:

ANSC 129, 143, 144, 149, 164
COMM 108G, 167, 179
ETHN 142
POLI 127, 140A
USP 147

Health Care—Social Issues

Required Courses:

SOCI 40

One course from:

USP 143, 144, 145, 147

One course from:

ANBI 100, 141
ANSC 100, 146, 164
COGS 174
ECON 140, 141
ETHN 102, 142, 157
PSYC 104, 124, 132, 134, 154, 155, 163, 168, 169,
172, 179, 181, 188
SOCI 107, 113, 120T, 134, 135, 136E-F, 138, 143, 159
USP 143, 144, 145, 147

ANBI 100, ANSC 100, SOCI 120T and SOCI 159 topics must be health related. Approved topics will be listed on the program website.

Specialized Area Studies

Human Development

Required course:

HDP 1

Two upper-division Human Development Program courses from:

Anthropology
Communication
Human Development Program
Linguistics (LIGN)
Psychology
Sociology

Law and Society

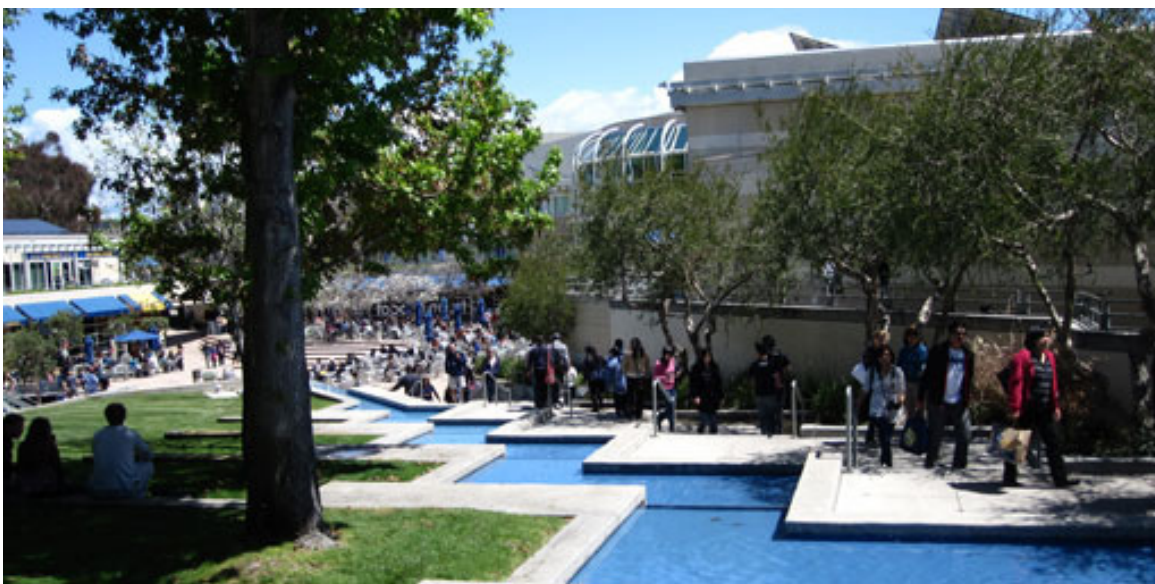

Required Courses:

POLI 40 or SOCI 50
LAWS 101

One course from:

ANSC 100, 140
CGS 106, 107
COMM 114F, 114M, 114N
ENVR 110
ETHN 152
LIGN 105, 176
POLI 104A-B-C-D-F-I-L-M-N, 140A, 145A, 150A
PSYC 162
SOCI 120T, 140, 140F, 141, 142, 144, 145, 146, 152, 159, 160E, 163, 173
USP 121, 122, 124

ANSC 100, SOCI 120T and SOCI 159 topics must relate to law. Approved topics will be listed on the program website.

Price Center Fountain

Transfer Student GE Requirements

Students with a Completed IGETC/UC or 4-Year Reciprocity/Verified Transfer Program

- **WCWP 100:** Academic Writing
- **Breadth Requirement:** Two four-unit, upper-division courses, non-contiguous (unrelated) to the major discipline. See chart on the following page.
 - The courses must be taken through UC San Diego, Education Abroad Program, or another UC campus
 - All courses may be from the same discipline or same department
 - With the exception of non-contiguous double majors, the courses may not overlap with major courses
 - Appropriate upper-division minor courses may be used in lieu of upper-division non-contiguous courses
 - Upper-division courses are numbered 100-199
 - The courses may be taken on a letter graded or Pass/Not Pass basis
 - One Special Studies course chosen from 197, 198, or 199, can be used if non-contiguous to the major
 - Special Studies 195 cannot be used
 - Rady School of Management courses cannot be used - see an academic counselor if pursuing a Business minor
 - Choose courses that have no prerequisites or courses for which you have completed the prerequisites

Students with IGETC - have official IGETC certification sent to UCSD Admissions Office

Students with IGETCP - have IGETCP certification sent to UCSD Admissions and consult with a Warren College academic counselor regarding which courses can be used to fulfill remaining requirements

Students with UC or 4-Year Reciprocity - submit official letter to Warren College academic advising

Students without Completion of a Verified Transfer Program

- **Must complete:** standard Warren College general-education requirements
- **Exception:** WCWP 100, Academic Writing
 - WCWP 10A/10B will be waived for students who have already completed two lower-division writing courses prior to matriculation
 - Some transfer coursework may be applicable
 - Consult with a Warren College academic counselor regarding your options if you completed the general-education requirements at an out-of-state community college

Community College Transfer Limit

The University will award graduation credit for a maximum of 105 converted quarter units of transferable coursework from a two-year institution.

To calculate: 1 semester unit = 1.5 quarter units

Transfer GEs With Completed Transfer Program

Complete two upper-division, non-contiguous courses

Step 1 - Find the discipline representing your major

Humanities & Fine Arts	Natural Sciences, Math & Engineering	Social Sciences
Chinese Studies Classical Studies Critical Gender Studies German Studies History International Studies (Hist, Lit) Italian Studies Japanese Studies Judaic Studies Latin American Studies Literature Music Philosophy Religion, Study of Russian, East European, and Eurasian Studies Theatre and Dance Third World Studies Visual Arts	Bioengineering Biology Chemical Engineering Chemistry Cognitive Science Computer Science Electrical and Computer Engineering Environmental Systems Mathematics Mechanical and Aerospace Engineering NanoEngineering Physics Public Health (see counselor) Scripps Institution of Oceanography (SIO) Structural Engineering	Anthropology Cognitive Science Communication Critical Gender Studies Economics Ethnic Studies Global Health Human Development Program International Studies (Anth, Econ, Ling, Poli Sci, Soc) Linguistics Political Science Psychology Public Health (see counselor) Sociology Urban Studies and Planning

Step 2 - Choose two courses from any department outside of your major discipline

Humanities & Fine Arts	Natural Sciences, Math & Engineering	Social Sciences
Chinese Studies Classical Studies Critical Gender Studies History Japanese Studies Judaic Studies Linguistics (Heritage Language Only) Literature Music Philosophy Religion, Study of Theatre and Dance Third World Studies Visual Arts	Biology Chemistry Cognitive Science Computer Science Environmental Systems Mathematics Physics Scripps Institution of Oceanography (SIO)	Anthropology Cognitive Science Communication Critical Gender Studies Economics Education Studies Ethnic Studies Linguistics/General Political Science Psychology Sociology Urban Studies and Planning

For Environmental Studies and Public Health (FPMU) courses, see an academic counselor

Advanced Placement Credit

A score of 3, 4, or 5 on Advanced Placement Examinations may apply toward graduation, your major, or Warren College general-education requirements. **Students will not receive additional credit if taking courses for which they are exempt. A maximum of 12 units can be applied for credit to each PofC; 4 units to each AS; 16 units for Science and Technology PofC.** Course placements and exemptions are for the 2015-2016 Academic Year. Exemptions may differ based on the year the exam was taken.

AP Exam	Scores	Units	Earl Warren College General-Educational Requirements
Art (Studio): Drawing Portfolio/ 2D or 3D Portfolio <i>(8 unit max for all tests)</i>	3, 4, 5	8	2 courses toward Visual Arts or Humanities PofC or 1 course toward Visual Arts or Humanities AS
Art: History	3, 4, 5	8	2 courses toward Visual Arts or Humanities PofC or 1 course toward Visual Arts or Humanities AS
Biology	3 = exempt BILD 10	8	2 courses toward Biology, Fundamentals of Biology, or Science and Technology PofC
	4, 5 = exempt BILD 1, 2, 3	8	2 courses toward Biology, Fundamentals of Biology, or Science and Technology PofC
Chemistry	3 = exempt CHEM 4	8	2 courses toward Science & Technology PofC
	4 = exempt CHEM 4, 11	8	2 courses toward Science & Technology PofC - Chem 6AH, BH, CH recommended; may take Chem 6A, B, C for credit
	5 = exempt CHEM 6A, B, C	8	2 courses toward Chemistry or Science & Technology PofC Chem 6AH, 6BH, 6CH encouraged for those continuing in chemistry
Computer Science: A Exam	3	2	Elective credit only
	4, 5 = exempt CSE 8A	2	Elective credit only - Students should enroll in CSE 11
Economics: Micro	3, 4	4	1 course toward Perspectives of Social Science PofC
	5 = exempt from ECON 1	4	1 course toward Economics or Perspectives of Social Science PofC or Economics AS
Macro	3, 4	4	1 course toward Perspectives of Social Science PofC
	5 = exempt from ECON 3	4	1 course toward Economics or Perspectives of Social Science PofC or Economics AS
English: Composition & Literature	3, 4, 5	8	2 courses toward Humanities or Literature PofC or 1 course toward Humanities or Literature Area Study. Satisfies University ELWR requirement.
Language & Composition <i>(8 unit max for both tests)</i>	3, 4, 5	8	Elective credit - satisfies University ELWR requirement

Advanced Placement Credit

AP Exam	Scores	Units	Earl Warren College General-Educational Requirements
Environmental Science	3 4, 5 = exempt ESYS 10	4 4	1 course toward Science & Technology PofC 1 course toward Environmental Studies - Natural Science, SIO, or Science & Technology PofC
Government/ Politics: United States	3, 4 5 = exempt from POLI 10	4	1 course toward Perspectives of Social Science or Political Science PofC or 1 course toward Political Science AS - satisfies AHI requirement
Comparative	3, 4 5 = exempt from POLI 11	4	1 course toward Perspectives of Social Science or Political Science PofC or 1 course toward Political Science AS
History: United States	3, 4, 5 = exempt 2 quarters of US History	8	2 courses toward History or Humanities PofC or 1 course toward History or Humanities AS - may take one course from HILD 2A, 2B, or 2C - satisfies AHI Requirement
European	3, 4, 5	8	2 courses toward History or Humanities PofC or 1 course toward History or Humanities AS
World	3, 4, 5	8	2 courses toward History or Humanities PofC or 1 course toward History or Humanities AS
Human Geography	3, 4, 5	4	Elective credit only
Language Other than English Chinese/ Japanese	3, 4, 5	8	2 courses toward Chinese Studies, Japanese Studies, or Foreign Language and Culture PofC or 1 course toward a Chinese Studies, Japanese Studies, or Foreign Language and Culture AS - See department for placement
Language Other than English French/ German/ Italian/ Spanish	3 = exempt LING 1C/1C 4 = exempt LING 1D/1DX or Lit 2A 5 = exempt Lit 2B/LTIT 50	8 8 8	2 courses toward Foreign Language and Culture PofC or 1 course toward Foreign Language and Culture AS 2 courses toward Foreign Language and Culture PofC or 1 course toward Foreign Language and Culture AS or 1 course toward Humanities or Literature PofC or AS 2 courses toward Foreign Language and Culture, Humanities, or Literature PofC or 1 course toward Foreign Language and Culture, Humanities, or Literature AS

Advanced Placement Credit

AP Exam	Scores	Units	Earl Warren College General-Educational Requirements
Latin: Virgil	3, 4, 5 = exempt LTLA 1, 2, 3	4	1 course toward Classical Studies, Humanities, or Literature PofC or AS
Literature	3, 4, 5 = exempt LTLA 1, 2, 3	4	1 course toward Classical Studies, Humanities, or Literature PofC or AS
Literature: Spanish	3 = exempt Ling 1D/1DX or LTSP 2A	8	2 courses toward Foreign Language and Culture or 1 course toward Humanities or Literature PofC or AS

	5 = exempt PHYS 2B or 4C	4	1 course toward Physics or Science & Technology PofC
(8 units max for three tests)			
Psychology	3	4	1 course toward Perspectives of Social Science or Psychology PofC or Psychology AS
	4, 5 = exempt PSYC 1		
Statistics	3, 4, 5	4	1 course toward Formal Skills requirement

International Baccalaureate Credit

The University of California grants eight units of credit for each **Higher-Level** International Baccalaureate (IB) exam. The IB credit limit at UC San Diego is 30 units. **Students will not receive credit if taking courses for which they are exempt. A maximum of 12 units can be applied to each PofC; 4 units to each AS; 16 units for Science and Technology PofC.** Course placements and exemptions are for the 2015-2016 Academic Year. Exemptions may differ based on the year the exam was taken.

IB Exam	Scores	Units	Earl Warren College General-Education Requirements
Anthropology	5, 6, 7 = exempt ANTH 1	8	2 courses toward Anthropology or Perspectives of Social Science PofC or 1 course toward Anthropology AS
Biology	5 = exempt BILD 10	8	2 courses toward Biology, Fundamentals of Biology, or Science & Technology PofC
	6 or 7 = exempt BILD 1, 2, 3	8	2 courses toward Biology, Fundamentals of Biology, or Science & Technology PofC
Chemistry	5 = exempt CHEM 4, 11, 6A	8	2 courses toward Science & Technology or 1 course toward Chemistry PofC
	6 = exempt CHEM 4, 11, 6A, 6C	8	2 courses toward Chemistry or Science & Technology PofC
	7 = exempt CHEM 4, 11, 6A-B-C	8	2 courses toward Chemistry or Science & Technology PofC
Computer Sciences	5, 6, 7	8	2 courses toward Formal Skills and/or 2 courses toward Science & Technology PofC
Dance	5, 6, 7	8	2 courses toward Humanities or Theatre and Dance PofC or 1 course toward Humanities or Theatre and Dance AS
Economics	5, 6	8	2 courses toward Perspectives of Social Science PofC
	7 = exempt ECON 1, 3	8	2 courses toward Economics or Perspectives of Social Science PofC or 1 course toward Economics AS
English (English A)	5, 6, 7	8	Elective credit. Satisfies University ELWR requirement.
Film	5, 6, 7	8	2 courses toward Humanities or Visual Arts PofC or 1 course toward Humanities or Visual Arts AS
Geography	5, 6, 7	8	Elective Credit Only

Course Placement Information

Chemistry Placement Exam

The Chemistry Placement Exam is highly recommended for those students planning to take general chemistry.

Computer Science and Engineering Course Placement Advice

Language Placement Exam

Students who have a language background in French, German, Italian, or Spanish and wish to continue taking courses in the same language must take the Language Placement Exam unless placement is based on AP/IB or transfer coursework.

Math Placement

All students who plan to take math at UC San Diego must have one of the following:

- Results from the UC San Diego Math Placement Exam
- A score of 600 or higher (650 for Math 20A) on the SAT Math Level II Subject Test
- An official score of 2 or higher on the Advanced Placement (AP) Calculus Exam (AB or BC)
- An official score of 5 or higher on the International Baccalaureate (IB) (Higher Level) Mathematics Exam
- Credit for one term of an approved college-credit calculus with a grade of "C-" or better (NOT a high school AP calculus course)

Official transcript for exam scores and college courses must be on file with the UC San Diego Office of Admissions.

Advanced Placement Exam Scores for Math Placement

Exam Type	Advanced Placement (AP) Score			
	1	2	3	4 or 5
AB Exam (including AB subscore on the BC Exam)	You must take the Math Placement Exam No college unit credit	Enroll in MATH 10A or 20A No college unit credit	Enroll in MATH 10B or 20A (only 2 units of credit given for 20A) Credit for Math 10A Cannot receive additional credit for Math 10A	Enroll in MATH 10B or 20B Credit for MATH 10A or 20A Cannot receive additional credit for MATH 10A/20A
BC Exam	See your AB subscore for credit and courses in which you may enroll	See your AB subscore for credit and courses in which you may enroll	Enroll in MATH 10C or 20B (only 2 units of credit given for 20B) Credit for MATH 10A/20A and 10B Cannot receive additional credit for Math 10A/B, 20A	Enroll in MATH 10C or 20C Credit for MATH 10A/20A or 10B/20B Cannot receive credit for MATH 10A/20A or 10B/20B

Campus-Wide Advising Services

Department Advising

Department advisors provide general information about major and minor requirements and coordinate petitions relating to the major and minor.

Career Services and Professional School Advising

Career Services counselors provide services related to employment, professional school, and graduate education.

International Center

Facilitates interaction among all internationally-minded UC San Diego students, faculty, and staff. Assists UCSD students studying abroad and international students attending UC San Diego.

Programs Abroad Advising

The Programs Abroad office provides advising to students going abroad, including advising on a wide range of study, work, and travel possibilities through the UC Education Abroad Program (EAP), the Opportunities Abroad Office (OAP), and UCSD Global Seminars.

Confidentiality of Student Records

FERPA, the Family Educational Rights and Privacy Act (Buckley Amendment) guarantees the privacy of student records.

Without your written permission, we cannot discuss your academic record with parents, friends, employers, or other persons. When appropriate, student information may be shared among University officials.

To release your personal academic information, you must submit an Authorization and Release of Information form to the Warren Academic Advising office. The form must be re-submitted each academic year.

Geisel Library Entrance

College and University Honors

Honors programs are offered at the College and campus levels as well as through a number of academic departments. Students' academic achievements are acknowledged throughout their undergraduate years at UC San Diego by participation in the honors programs described below.

Department Honors at Graduation

Some academic departments and programs award honors to graduating seniors who have completed a special course of study within that department or program. Department honors are recorded on the student's diploma and transcript. Contact the department for further information.

Phi Beta Kappa

Phi Beta Kappa is a national honor society that encourages and recognizes academic excellence in the liberal arts and sciences. Students are invited to join based on courses taken and cumulative GPA.

Provost's Honors

Provost's Honors are awarded quarterly to students who complete at least 12 graded units and earn a minimum 3.5 GPA. Provost's Honors are indicated on student transcripts.

Special Awards for Graduating Seniors

- **The Provost's Achievement Award** recognizes seniors with the most exceptional academic record.
- **The David K. Jordan Award** recognizes academic excellence and outstanding service to Warren College.
- **The Oceanids Service and Leadership Award** is presented in recognition of outstanding service to the UC San Diego campus community.
- **The Alumni Association Outstanding Senior Award** is in recognition of academic excellence and outstanding contribution to the UC San Diego Community.

UC San Diego Latin Honors at Graduation

University honors are awarded with the bachelor's degree to students who have an exceptional overall GPA and have completed **at least 80 graded units** at the University of California. The honors designations are: *summa cum laude*, top 2%; *magna cum laude*, the next 4%; and *cum laude*, the next 8% of the graduating class. Appropriate GPAs are calculated annually to reflect the top 14% of the previous year's graduating seniors. University honors are recorded on the student's diploma and transcript.

Warren Honors Society

The [Warren Honors Society](#) offers a variety of activities that promote academic excellence and personal development.

Dr. Seuss and the Cat in the Hat, Geisel Library

Enrollment and Registration

Enrollment and Registration

- [UCSD Enrollment and Registration Calendar](#)

- Students are assigned an enrollment appointment time, found on [TritonLink](#)
- Students enroll in courses using the WebReg tool on TritonLink
- The schedule of classes is available on TritonLink beginning Friday, Week 5 of each quarter
- Online enrollment begins Week 6 of each quarter
- Continuing students enroll using a two-pass enrollment process:
 - First Pass: Students may enroll in up to 11.5 units and may not waitlist courses
First pass appointment times will have a start and a stop date/time
Students who do not enroll during their first pass appointment must wait until their second pass appointment to enroll
 - Second Pass: Students may enroll up to 19.5 units during their second pass appointment, including waitlisted courses. On the first day of instruction, students may enroll in up to 22 units
Enrolling in more than 22 units requires department and College approval
- Students are considered enrolled when they have signed up for at least one course via WebReg. **Waitlisting a class does not constitute enrollment**
- Students are responsible for all courses in which they are enrolled. **Students should check TritonLink/WebReg to confirm class enrollments.** Students can make changes to their schedule on WebReg using the Add/Change/Drop process
- Start times are based on the number of units completed. Students who have completed more units will receive earlier start times than students with fewer units
 - Class level by units completed
Freshman: 0 - 44 Junior: 90 - 134
Sophomore: 45 - 89 Senior: 135 - 180
- Students are not considered registered until they have **both enrolled in courses and paid registration fees**

Waitlist

If the class or section you want is full:

- WebReg will offer you the option of enrolling in another open section of that class or waitlisting the section
- You can only waitlist one section of a course
- If you are enrolled in a waitlisted class, it will be included on your Class List and you will be notified by email
- If the class appears on your Class List, go to WebReg and confirm your grading option
- If you no longer want a waitlisted course, you must drop the course on WebReg

General Catalog

- Utilize the [UCSD General Catalog](#) for information on UCSD academic regulations, policies, degree requirements, student services, courses, and information about each department/program, including requirements for majors and minors.

Quarterly Deadlines

Friday of Week 2

Deadline to add a class or apply for Part-Time Status

Friday of Week 4

Deadline to drop a class without a W (Withdrawal) or to change a grading option

Friday of Week 9

Deadline to drop a class with a W (withdrawal) on the transcript

Week 10-11

Incompletes must be filed with professors by the end of Finals Week
