Orientation

First Year Orientation

You should already be registered for either the September 18, September 19, or September 20 First Year Orientation Program. Attendance is mandatory and failure to register will result in a hold that prevents enrollment in classes. If you have not registered, contact wow@ucsd.edu. A \$25.00 late registration fee will be applied to your Orientation bill. The programs are one day and typically begin at 8:00AM and end at 6:00PM.

Orientation Leaders

Orientation Leaders (OLs) will be communicating with you via email. They are your first connection to UC San Diego, so take advantage of their expertise.

Make the Most of Your Time at UC San Diego with Co-Curricular Involvement

Did you know that UC San Diego is one of the only universities with a formal co-curricular transcript? We call it the CCR (or co-curricular record). With just over a month until your Orientation program, now is the perfect time to start exploring your options for out of classroom, or co-curricular involvement. The Warren College website has information on student organizations, employment opportunities, and more – many of which are CCR certified.

Housing

Reminder - Roommate Requests

In mid to late August, you will receive an email with your room assignment and move-in time from the Residential Life Office. Contact them for information and questions concerning room assignments. You can find move-in information [online](#) or direct questions to Warren Residential Life via email at warrenreslife@ucsd.edu.

Orientation Early Move-In

If you plan on living on-campus during the 2019-2020 academic year, your official housing contract, including your dining plan, begins on Saturday, September 21, 2019. This is the date that will automatically be assigned as your move-in time.

When attending Orientation, housing is not included, but you have the opportunity to move in the day prior to your Orientation date. The fee is \$45.00 per day prior to your official housing contract start date of September 21, 2019. If you would like to move in the day prior to your Orientation session, you will have the option to request early access to your contracted housing. Your assigned residential area will contact you about early move-in around mid-August. If you have questions about your housing contract, visit the Housing, Dining, and Hospitality website.
