## Orientation

### Deadline to Register for Orientation

If you have not already done so, the deadline to register for your First Year Orientation program is June 28. The Orientation program is mandatory for all incoming students. If you register after June 28, you will be charged a \$25.00 late fee.

## **Deadline to Register for Parent and Family Orientation**

Once you register for a First Year Orientation program, remind your Parents/Guardians/Guests that they can register for the optional Parent and Family Orientation Program via the email they received from the Parent and Family registration system, Aventri. The deadline to register is June 28. A maximum of two Parents/Guardians/Guests per student may attend. Advanced registration is required. Only registered Parents/Guardians/Guests are able to participate in the Parent and Family Orientation program. Siblings/Friends/Children will not be allowed to attend the Parent and Family Orientation program.

## **Changing Your Orientation Session/Late Fees**

You may change your First Year Orientation session one time before the registration deadline. Changes and registrations made after June 28 will be charged a \$25.00 change/late fee. If you change your session, Parents/Guardians/Guests attending the Parent and Family Orientation program will not be moved automatically to the new session. Be sure that any Parents/Guardians/Guests also change their Orientation session.

## **Preparing for Your Orientation Session**

Prior to your orientation session, you will receive an email with detailed information on parking and check-in procedures. Review this information carefully. Additional information about the program, including frequently asked questions, are available on the Orientation website.
