★ Mission Control

Warren's Transfer General Education Requirements depend on your transfer status:

- Students with IGETC, UC Reciprocity or GE exception
- Students with Partial IGETC
- No Transfer Agreement

Let's Review: Transfer GE Status

IGETC is an optional set of breadth courses CA Community College students can take to reduce their GEs after transferring to a UC or CSU

Partial IGETC is the same as IGETC but a student is missing 1-2 courses

UC Reciprocity is for students who completed lower-division GE at another UC campus before transferring to UCSD

In the **Fall**, students should contact Advising to **check that we received their verification documents**

Transfer GE's

Students with IGETC, UC Reciprocity, or GE Exception:

- WCWP 100
 - ★ ○ Must be taken for a letter grade
 - 2 Upper-Division, Non-Contiguous Courses
 - 2 classes numbered 100 - 199 (except 195) from a discipline non-contiguous (non-related) to your major discipline
 - IGETC certification must be submitted and received by UCSD Admissions as well as posted on your academic records
 - UC Reciprocity letters must be sent to Warren College Academic Advising
- 

Transfer GE's

Students with Partial IGETC or “partial” Reciprocity:

- **WCWP 100**
 - ★ ○ **Must be taken for a letter grade**
 - **2 Upper-Division, Non-Contiguous Courses**
 - **2 classes numbered 100 - 199 (except 195) from a discipline non-contiguous (non-related) to your major discipline**
 - **Additional 1-2 courses for Partial IGETC or “partial Reciprocity”**
 - **Areas that are missing will be noted on the academic history once the partial IGETC is posted**
 - **Not all UC's grant “partial” UC Reciprocity letters**
- 

Transfer GE's

Students without IGETC, Partial IGETC, GE Exception, or UC Reciprocity

- **WCWP 100**
 - Must be taken for a letter grade
 - ★ ○ WCWP 10A/10B will be waived for students who have completed two English composition courses prior to matriculation
 - **Ethics and Society**
 - PHIL/POLI 27 and PHIL/POLI 28
 - **Formal Skills**
 - 2 courses
 - May overlap with major requirements
 - **Two Non-Contiguous Programs of Concentration (PofCs) (for non-B.S. Engineering Majors) or Two Non-Contiguous Area Studies (for B.S. Engineering Majors)**
 - PofCs: six courses, three of which must be upper-division

Advising via Zoom - We will be offering "walk-in" advising sessions via Zoom. Please see [GOOGLE CALENDAR](#) for walk-in advising hours via Zoom.

- Getting started with your ZOOM meeting:** You can access the **Zoom** walk-in meetings (during scheduled walk-in times) by selecting "join meeting" using this **meeting ID: 8615885717**
- Given the uncertainty at the end of the quarter, the Provosts and Deans of Academic Advising at all of UC San Diego's colleges have decided that we **will not** review grades or **send notices of academic probation, subject to disqualification, or academic disqualification** to students based on their Winter Quarter, 2020 grades.

If you are still concerned about your grades and academic performance, or received grades of D or F, please contact us to discuss adjustments to your schedule, repeating courses, and finding resources to improve your future grades.
