

# Global Seminars 2020: Warren GE Options

Any Global Seminar can provide elective courses/units towards graduation. Each course is worth 4 units. If you have already declared your Programs of Concentration or Area Studies, use this chart to see how Global Seminars fit into those requirements. More options may be available upon petition; see an advisor for details. Transfer students: meet with Warren Advising to verify what GE requirements you have.

See [Global Seminars' website](#) for program details.
