Day of Reminder

Graduates should arrive at 5:00PM, to allow sufficient time to park, go through security and walk to the graduate seating area.

Participating in Commencement Ceremony

Graduation is when a student has completed all requirements and their degree has been officially posted to their academic record.

Students must file a Degree and Diploma Application (DDA) to initiate this process.

Commencement is the annual ceremony in which any student with senior standing (135 units) may choose to participate. Participation does not constitute official graduation from the University. Learn more at commencement.ucsd.edu.
