During my time, I have worked closely with the wonderful Writing staff especially Professor Gagnon, and I have made sure Warren students' concerns about the writing classes are being voiced to the staff. I have also worked with the Warren Advising team to put out an event. Working with the scholarship committee has also been amazing and in fact we will be meeting today to review the scholarship applications. Lots of love to all the council members who are leaving today, you all will be missed. I wish I was there to say my goodbyes in person!
