 - i. Hello Everyone! We've chosen our new C-Suite officers in Senate, thank you to all those who showed up! Over the coming weeks we'll have similar meetings for the many AVP positions. For the upcoming year, AS appointments will now be blind (so applicant's name and identifying information will be removed) to help avoid bias. I hope this change will encourage more of y'all to apply for positions next year, and maybe we could implement a similar change here in council (to my knowledge, Revelle's council already does this).
 - j. AS Senator - Daniel Sitanggang

- i. There has been some strange resistance from Marshall and Muir regarding the AAPI Heritage Resolution. The reasons they've given are wholly insufficient as of now, but I'll see if they give better reasons. ERC and 6th have passed it, waiting to hear from Revelle, 8th will pass at their meeting this week I believe; 7th exec will approve on their end.
