    - i. Hello all, as our year draws to a close, I would like to thank each and every single one of you for your service on Council. I see the work that everyone does and it is irreplaceable, in every instance. I have also enjoyed getting to know you all on a personal level and am looking forward to accomplishing more in the future. Throughout my term as Director of Academic Affairs, I was able to implement one new Program of Concentration, Climate Studies, which was a far cry from my goal but, an accomplishment for our Council nonetheless. As President, I hope to create more tangible differences in Warren College and see those of you continuing on with us do so as well. Greatest congratulations to the graduating seniors and please everyone do well on your finals and take care of yourselves. ASUCSD AVP of College Affairs William Maggin's replacement will be announced soon and will be either ASUCSD First-Year Senator Ryan Coryea or former Sixth College President Al Navarro. Either way, it is paramount that if you need guidance from College Affairs this person is competent so, I encourage you to reach out to these people as a test.
