 - a. Discussion Item
 - i. Skyler: Would it include student org in council like COWS having their own Instagram pages?
 - ii. Skyler yields to Aries: at the moment, only applies to college councils but good stepping stone
 - iii. Aries yields back to Skyler: good idea doesn't see why they can't have one and says 7th deserves their autonomy

Warren College Student Council Agenda

- iv. Saniesa: can you clarify what autonomy means here? Is there any admin jurisdiction?
- v. Saniesa yields to Aries: just means they have autonomy to have a page and create it; oversight would not be restricted however acknowledges different views on oversight
- vi. Aries yields back to Saniesa: who becomes responsible if pages are abandoned
- vii. Saniesa yields to Aries: lot of nuance, and with this legislation the goal is not to dictate what people do, but to give support from the council and ensure continued support and making sure it's not just one person who has it
- viii. Aries yields back to Saniesa: With it being that council page is now up, what is this about
- ix. William yields time to Saniesa
- x. Saniesa: since the page is now up, what does legislation entail
- xi. Saniesa yields to Aries: just to affirm our support because this could happen at any time; important for record keeping and showing that WCSC supports the college autonomy
- xii. Aries yields to Saniesa: is there an understanding of why they were told know up until September
- xiii. Saniesa yields to Saniesa: branding issue, but hearing different answers
- xiv. Aries yields to Saniesa
- xv. Saniesa yields to Skyler: a lot is up in the air, branding has been an issue even for orientation
- xvi. Julianna yields time to Senator Simpson: does this guarantee individual accounts (for senators' Instagrams)
- xvii. William yields back to Julianna

Warren College Student Council Agenda

- xviii. Julianna yields back to Aries: doesn't think the legislation would cover it, but definitely should look into securing the Instagrams
- xix. Aries yields to Julianna
- xx. Julianna yields back to the floor
- b. Action Item
 - i. Skyler moves to a roll call vote
 - ii. William seconds
 - iii. Ghazal yes
 - iv. Juliana yes
 - v. Analisa yes
 - vi. Mariah
 - vii. Tatiana yes
 - viii. Alex
 - ix. Namm
 - x. William yes
 - xi. Jorge
 - xii. Ariel yes
 - xiii. Paxton Kristy
 - xiv. Skyler Yes
 - xv. Jasleen Yes
 - xvi. Motion passes and resolution is passed
- 2. **Black Hall Name Exploration** Introduced by *President Cole*, sponsored by *Vice President Saeedi* and *Director Chen*
 - a. Discussion Item
 - i. Julianna likes resolution: but should get rid of option A and just completely remove Black's name
 - ii. Julianna yields
 - iii. Skyler agrees and thinks of the part of Earl Warren's history and asks Aries did Hugo Black ever denounce his actions
 - iv. Skyler yields to Aries: became a Civil Rights champion in some sense

Warren College Student Council Agenda

- v. Aries yields back to Skyler: we should acknowledge the history like we do in orientation, implement something in orientation maybe or have an information history and better ourselves
- vi. Yield time to the floor
- vii. William likes option B better, could we just present option B and if they say no we just do option A
- viii. William yields to floor
- ix. Saniesia thinks Skyler has a great point, ResLife discussion hasn't happened yet so they may be open to it or have other options, we need conversations
 - 1. Present best options forward
 - 2. Saniesia yields to Aries
- x. Aries: that makes sense, would like to hear from William after yielding to Saniesia
- xi. Saniesia yields to William: good idea to present both, but they may just do what they think is easier; not sure on the ease of renaming the hall; maintains asking for option B first and then option A
- xii. William yields back to Saniesia
- xiii. Saniesia: it's hard to answer about difficulty, but have the conversation
 - 1. Some may be of same belief but haven't had chance to do so
- xiv. Julianna: understands Skyler's point but thinks very small step towards opening up the conversation about who we want to represent at this school; needs to be clear that they are removing the name of a past KKK member and puts more pressure on them
- xv. Julianna yields to the floor
- xvi. Skyler... we could offer option B and if they do respond change to option A, should have bigger conversation with ResLife before proposing the

Warren College Student Council Agenda

- solution; maybe have an Open Forum and include Director of Res Life
1. Change name?
 2. Include plaques that indicate contributions and acknowledge the past?
 3. Yields to Aries
- xvii. Aries...purpose of resolution is to put our thoughts out there and then continue to have meeting. Could go into the meeting with one thing on our mind and have desires be lost
- xviii. Skyler... that makes sense, if we have both on there it shows we are open, but switch placement of option B and option A so that it shows we want option B the most
- xix. Julianna...make option B the option A, as the bare minimum
- xx. Saniesa...is there room for other names to be presented and not just Clark
- xxi. Saniesa yields to the floor
- xxii. Julianna...making Option B the renaming and Option C other name options
- b. Action Item
- i. Julianna motions to move option B to option A and making suggestions for "other members of the Warren Court"
 1. William seconds
 2. It passes unanimously
 - ii. Skyler moves to add Byron R. White, Abe Fortas, Charles E. Whittaker, Harold Burton, Stanley Reed, or Sherman Minton
 1. Julianna seconds it
 2. William in opposition
 - a. Thinks renaming Black Hall to White

Warren College Student Council Agenda

- Hall could be taken the wrong way;
suggests taking Byron R. White off list
of names
- b. Friendly amendment
- c. Skyler friendly amends Stanley Reed
because Reed supported segregation
and Abe Fortas because of ethics
violations, he had to disgracefully
resign
- d. New language to include Whittaker,
Burton, and Minton only
- e. Meeting moved into recess for
bathroom break until 7:02 p.m.
- 3. Skyler motions to move to an open roll call
vote
 - a. Motions dies
- 4. Skyler moves to amend language from
“Therefore, be it resolved that the Warren

is our first choice option B is our second
choice, and that option C is our third choice”

 - a. Discussion Item
 - i. Aries: discussion on Robert's Rules; they can come to the meeting and vote, only count towards quorum if present

Warren College Student Council Agenda

- ii. Skyler: good idea and we've had issues with quorum in the past. Not holding it against them and against us. Something we should pass.
- iii. Skyler yields to the floor
- iv. William: might be more involved, had issues with Warren GROW last year and lowered their funding. But if they came to our meetings they would be more interested in participating. Some orgs have no reason to come here
- v. William yields to the floor
- vi. Alex: no DSO so organizations didn't have connection with it; but now we are making some members ex-officiario because were not representatives before, we will have representatives and can give updates for us
- vii. Alex yields to the floor
- viii. Skyler: good point that we should still encourage them to come out because shows their commitment to position and to council, they get funding
 - 1. Maintain that we encourage them to attend and encourage them to show up
 - 2. Skyler yields to Aries
- ix. Aries: every org has a representative and will be required to

Warren College Student Council Agenda

- quarter so we know who to contact and so that we can form connections
- xv. Ariel yields to Alex: RA Rep connection to ResLife, Warren org/office
 - xvi. Alex yields to Ariel
 - xvii. Ariel yields to floor
 - xviii. Saniesa: any plan for accountability if these reps to do not show up
 - xix. Saniesa yields to Alex: if they have updates but don't show up or voice it during meetings with student orgs Alex can address within meetings but not bylaws
 - xx. Alex yields to Saniesa
 - 1. Be transparent that these are long meetings
 - 2. Note that we cannot cut funding or dangle it over peoples heads
 - xxi. Tatiana: lot of interest from tabling shows that attending long meetings and being required to go has deterred a lot of people especially since they cannot vote. If going to dedicate time, should do so within Events Board
 - 1. Tatiana yields time to floor
 - xxii. Saniesa: when it comes to one rep, does that mean it is secondary to Tatiana or Jasleen or do they represent them
 - xxiii. Saniesa yields to Alex
 - xxiv. Alex: normally two principal members, president is one; doesn't think that it should be president
 - xxv. Alex yields to Saniesa
 - xxvi. Saniesa yields to Aries: different than what is commissioned by bylaws, so all undefined would be fine
 - xxvii. Aries yields to Saniesa: why don't we just create

Warren College Student Council Agenda

- commissioned positions for other orgs in bylaws so we know we have someone (noting difference)
- xxviii. Saniesa yields to Alex
 - 1. Out of time
 - xxix. Skyler, bylaws state that Director or Transfer and Commuter Affairs serve as ex-officio; designated to come to council meetings in that area
 - xxx. Saniesa: someone has to start somewhere

 - b. Discussion Item
 - i. Skyler, implement ASAP because people like Elijah have been here for every meeting but do not have a vote//including them is important. Skyler yields to the floor
 - ii. Aries; important that every member gets a vote; we

Warren College Student Council Agenda

- are not there yet as many members still do not have votes. Aries yields to the floor
- iii. Elijah: would like to have a voice; great to be able to vote on bigger issue. Elijah yields to the floor.
 - iv. Ariel: can relate to period of time when she had no voice, while holding another position. Ariel yields to the floor.
 - v. Aries moves to table this item until the next bylaws for title IV
 - vi. Alex Chen seconds it
 - vii. No objection

Warren College Student Council Agenda

- need open roll call
 - iii. Aries yields to the floor
 - iv. Skyler, in support as well. It discourages people from showing up. But open to talking about it
 - v. Skyler yields to the floor
 - vi. Aries: no matter the result, should conduct straw poll vote so we can hear Elijah's voice. Aries yields to the floor
 - vii. Saniesia: good point, and open to amendment because 2 academic days is long, maybe do 24 hours
 - 1. Keeping in mind, dire circumstances where people cannot be present
 - 2. Yields to the floor
 - viii. Aries: number one thing, fully willing to excuse absence but having someone vote on things that they are not getting information on is "ludacris"
 - ix. Elijah: E-Board slowly disappeared overtime, roll call vote was misused, may have been lax on attendance
 - 1. Removing this or making sure that it is not misused is good idea.
 - 2. Yields time to floor
 - x. Skyler: maybe just get rid of it entirely instead of trying to fix it
 - xi. Saniesia: thinks it's fine to remove, if people don't want to come well they won't. Can also bring it back if needed.

 2. Need more backing
 - vi. Jasleen: maybe good idea for WTCC to collaborate with E-Board to lighten the load and bring more people to WTCC
 - vii. Tatiana: funding, and council reserves (if we did E-Board and WTCC would the money come out of E-Board money)
 - viii. Tatiana yields to Aries
 - ix. Aries: would come out of your budget
 - x. Skyler: Reserves money is used for things that will last a long time; recommends using funds for the
